| | |
|---|---|
| ✓ Know your DAF thoroughly—every detail can invite a question. | ✓ Read beyond headlines: understand the context, arguments and constitutional or administrative implications. |
| ✓ Answer the question asked. Be brief, structured and respectful. | ✓ If you do not know an answer, be honest; do not bluff or argue unnecessarily. |
| ✓ Present balanced views, distinguish facts from opinions, and support claims with sound reasoning. | ✓ Treat the board as a professional conversation—not a test of memorised speeches. |

**PREPARE WITH PURPOSE. PRESENT YOURSELF WITH CONFIDENCE.**
